About Us

Recognized as a trusted company in the industry, we, **Vijay Plastic Industries**, were established in the year 1982, Our Sister Concern Company Chetan Polytex established in 2000. We are a prominent name playing as a major **manufacturer, exporter, trader, distributor and supplier of PP Multifilament Yarn, Tape & Non Woven Fabrics, Non Woven Bags, PP Yarn, Spun Bonded Yarn etc.** These products are made up of superior grade of raw materials and hence are highly durable. These are known for their striking features and are widely appreciated in the export market such as Asia and USA. Due to our quality and customer centric approach, we garnered a huge client base all over the world.

Our company has an experience of more than 3 decades and hence we understand the requirements of our customers and produce accordingly. Our commitment to meet the changing demands and satisfying them with our timely delivery of the consignments have led us to make our presence felt in both the national as well as international arena. Our proactive business approach has assisted us in making forays in this highly competitive world and hence cater to the huge list of clients.

Quality Compliance

Offering excellent quality products is of paramount importance for our company. It has been our constant endeavour not to compromise on quality parameters in any case. For the purpose, we have adopted a stringent quality policy with rigorous parameters. We lay strong emphasis on the quality of raw material, as it ultimately affects the quality of our final products. We have a quality management division which keeps an eye over the whole process, right from the manufacturing, till packaging and delivery.

Why Us?

We are the front runners of the industry and are acclaimed worldwide for our manufactured products. The reason behind our booming success are mentioned below:

- Reliable products
- Advanced manufacturing unit
- Stringent quality check
- Efficient professionals
- Transparent dealings.
